Join us for a conversation regarding the LGBTQ+ community within Rush-Henrietta. We will have the opportunity to hear from our community partners at the University of Rochester Medical Center (URMC) and our Senior High School Gay Straight Alliance (GSA) advisor, as well as a panel of parents and former students. Develop a greater understanding of the LGBTQ+ community and explore strategies used to support students and their families.

Please note the session may be recorded and available online for later viewing and professional learning purposes. Staff may use participation in the live session for CTLE credits.

Be sure to join us for the other sessions in the Professional Learning Series, scheduled for:
