Defining Reality

Do all students feel welcome and supported?

Do all students have fair access to programs, classes and needed supports?

If equity means fair treatment and opportunity for all, does the data in my community reflect that?

Phase I: Raise Awareness and Support for the Culturally Responsive-Sustaining Framework

Key Implementation Activities

1.1: Publish Framework Briefs and Roadmap of CR-S Education Framework Implementation

1.2: Present virtual and/or face to face sessions that allow participants to unpack the CR-S Framework and share the Framework briefs

1.3: Establish forums and meetings to build understanding of and support for the Framework

1.5: Utilize electronic communication and social media to inform stakeholders (students, parents/caregivers, community members, youth organizations, non-profits) of resources/briefs

1.6: Create stakeholder-specific materials to introduce the CR-S Framework

1.7: Institute a series of community and parent/caregiver forums on culturally responsive-sustaining education (translated and offered in multiple languages and modes of communication)

1.8: Provide opportunities to collect input from the community, and to increase stakeholder involvement in supporting implementation statewide

1.9: Conduct district and school level pre- and post-assessments of CR-S awareness
